STAN100 – 100'

STAN200 – 200'

BATTERIES & INVERTERS

Energizer (EN)

Energizer Industrial Alkaline Batteries are designed for today's heavy current and continuous use applications. Energizer operates well in temperature extremes (-18 to 55C), and have a shelf life up to seven years of storage and require no special disposal.

Duracell (PC)

Procell Alkaline Batteries are made to the same specifications as Duracell's Copper Top Batteries. Advantages include mercury free, long lasting, and dependable – even after five years of storage. Operates in temperatures of 20C to 54C.

Black & Decker Inverters

200 Watt Continuous Power/350 Watt Peak, converts vehicle's 12 volt DC to 110/120 volt AC household power.

400 Watt Continuous Power/ 800 Watt Peak, new filtered modified sine wave, short circuit protection with reset/new turbo cooled heat sink design. Grounded 3-prong North American 110/120 Volt outlets.

1000 Watt Inverters are also available

To order, call **1-800-777-4655**

TOOLS

Security Booth Tool

Used to open telephone boxes. Toll is 9" long with a screwdriver like handle and a 1/4" hex head at the end.

Can or Pad Wrench

Commonly known in the industry, this wrench has a 3/8" socket on the one end & a 7/16" socket on the other. It has a rigid handle for easy grip & turning.

Voltage Detectors

The AC Sensor is a hand held device for determining the presence or absence of 110–600 volts AC in insulated wires, wall receptacles, fuses, junction boxes, switches, & other voltage carrying electrical point or move it along a wire. If AC voltage is present, the LED light in the tip will glow cherry red.

Penta Wrench

Formed from a stainless steel tube, with a standard penta socket on one end, and a 3/4" hex on the other end.

A folding cross rod handle provides leverage and compact storage.

Manhole Hook

This item lifts the cover off of a manhole with little effort, made from solid tempered steel with a handle on one end & a hook on the other. Safety Blue & 24" long.

Stub Nose Hook

These Hooks are specially designed to fit in many different sizes openings, especially where other hoods are too big. Our most effective solution for the simple round holes found in manhole covers. Also works for covers with cut outs and cross bars. 9/16" hex allow steel, heat-treated for durability. 30 inches long.

SAFETY ITEMS

FIRST AID KITS

10 Person FETEN

(4) 3" gauze pads, (1) 4" gauze bandage, (1) 1/2" Adhesive tape, (1pr) forceps, (1) scissor, (2pr) latex gloves, (6) pain relief tablets, (25) adhesive strips, (2) eye pads, (6) first aid/burn cream packets, (10) antiseptic wipes, (1) cold pack, (1) manual
